

अंतः अस्ति प्रारंभः वाराणसी घाट पर एक दिन

A day at the ghats of Varanasi is a unique experience. As the sun rises, people come to the ghats in search of spiritual solace through bathing rituals.Seekers of meditation and prayers frequent the markets after performing acts of almsgiving on the streets.

In the evening, standing at the ghats offers a view of the grand and impactful Ganga Aarti ceremony. The experience of Varanasi's ghats evokes a deep sense of the city's culture and spirituality, guiding towards progress and peace.
